CONSTRUCTION UPDATE FOR FALCONBRIDGE HWY, KELLY LAKE RD AND LINA ST

The City of Greater Sudbury thanks motorists for their patience as we begin another busy construction season.

Falconbridge Highway will be reduced to one westbound lane between Pilotte Road and Metcalfe Avenue in Garson from Monday, May 3 to Wednesday, May 5.

Kelly Lake Road, between Lorne Street and the CPR crossing, will be under construction starting this week for restoration of the road surface and surrounding area following last year's water main installation. Work is expected to be complete by mid-May.

Lina Street in Val Caron will close to through traffic from Wednesday, April 28 to Friday, April 30, for a sanitary sewer repair. Access for local traffic will remain open via Main Street and MacKenzie Street.
