

CELEBRATION 2010

NOMINATE A COMMUNITY SPORTS VOLUNTEER

As Canada prepares to host the 2010 Winter Olympics, your Greater Sudbury-area MPPs would like to honour local sports heroes who have made a big difference in the lives of athletes and the community in Greater Sudbury. Perhaps it's the long serving coach of a little-league team; or the person who floods the rink every night. This is a recognition program for sports and recreation volunteers, not athletes. Each riding will be eligible to honour up to 20 Community Sports Volunteers.

- **Submit a one page summary of why you believe your candidate deserves this recognition**
- **Enclose the name, address and telephone number of both you and your Community Sports Volunteer**
- **Successful nominees, as well as their nominators, will be notified by their local MPP**
