TEMPORARY LOCATION FOR SOUTH PUBLIC LIBRARY

The City of Greater Sudbury would like to advise residents that in order to restore library services to the south end, a temporary location has been found to set up a temporary kiosk for the South Public Library. Beginning Monday, March 23, a kiosk will be open at Countryside Arena board room. Hours of operation will be Monday to Thursday from 10:00 a.m. to 8:00 p.m. until alternate arrangements can be made.

Residents will be able to return library items, pick up reserved items and choose from a small collection of new books, paperbacks, magazines and DVDs available for loan. Two internet access stations will be available for the public to use.

Due to prior commitments at the Countryside Arena, the kiosk will not be available April 1 and 2. Residents may use any of the other 12 library branches across the city on those dates.
