

The Paper Trail

January 2010

Volume 4, Issue 1

Sustainable Mobility Plan

Getting around Sudbury without a vehicle can be challenging – and liberating, depending on how you look at it. Rainbow ROUTES, in partnership with several local organizations, is in the process of designing a Sustainable Mobility Plan with the hopes of creating a healthy, vibrant community where active transportation is a safe, efficient, accessible, and pleasant option.

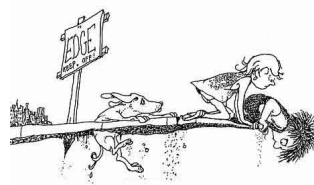

Come to one of the Public Input Sessions being held throughout the City to share your opinions and discuss solutions.

Dates and locations are as follows:

- Jan. 26: Howard Armstrong Ctr., Hanmer
- Feb. 2: Lasalle Secondary School
- Feb. 10: Chelmsford Arena (Hall)
- Feb. 11: Tom Davies Square Room C-11
- Feb. 16: Fielding Park (Pavilion) in Lively
- Feb. 18: Lo-Ellen Park Secondary School

Please complete our online survey (available in both French and English) found at www.rainbowroutes.com.

Hike Club: February 6th

The next hike will take place at the Lake Laurentian Conservation Area along the Lookout Trail. The hike runs from 10:00-12:00. Please meet at the Ski Cottage at the end of South Bay Road at 9:45 for a quick briefing before heading out on the adventure. This 4.5km trail is rated an “8 out of 10” in difficulty.

New ROUTES Map and Website coming this spring!

Keep your eyes open for a brand new ROUTES map which will be available this spring. The updated map includes new trails and will be a practical tool for those who want to get around the City by foot or by bike.

Our website is looking a little tired so we decided to give it a facelift too. Our address won't change but the look of it will. The new site will be much more user-friendly than the current site.

RRA Hike Club 2009: Lookout Trail

Registered Charitable Status

Rainbow Routes Association is now a Registered Charity which means that Charitable Receipts can be provided.

Find us on Facebook

We've decided to join the 21st century and have created a Facebook account. Search “Rainbow Routes” and participate in discussions, post trail photos, and receive up-to-date information about Rainbow Routes.

In this issue:

- Sustainable Mobility Plan
- Hike Club
- New ROUTES map and website coming soon!
- Registered Charity Status
- Facebook Group

Did you know...

Between 2004-2008, about 329 cyclists were injured in Sudbury per year? Approximately 90 pedestrians visited the hospital for walking-related injuries each year.
