MEDIA RELEASE

(Issued October 16, 2009)
For Immediate Release

NDCA Welcomes New General Manager

Sudbury... Nickel District Conservation Authority (NDCA) Chair Bob Rogers is today announcing the appointment of Mr. Paul Sajatovic as the new General Manager/Secretary-Treasurer of the NDCA. The appointment was made at the October 15, 2009 NDCA General Board meeting. Mr. Sajatovic has worked at the NDCA for 30 years and brings a wealth of experience and unquestionable dedication to this position.

“We are very pleased that Mr. Sajatovic accepted this appointment,” said Chair Rogers. “Paul brings a deep understanding of the important role that the NDCA plays in protecting the health and safety of our watershed resources and residents. The members and staff of the NDCA look forward to working with Paul as we move forward with the NDCA’s renewed vision of Integrated Watershed Management. This is an exciting and challenging time for the Authority, a period during which we will continue to show leadership and innovation as stewards of our Watersheds and in partnership with our Municipality and the people of Greater Sudbury in protecting and enhancing our natural heritage; Paul is the right person to guide us through these challenges.”

“I am humbled and honoured to continue my work in this capacity with such a vibrant, professional organization,” said Mr. Sajatovic. “This is a very exciting opportunity for me and I very much look forward to enhancing the vital programs and services offered by the NDCA in our watersheds. We will face challenges, however, by working together as a team we will meet our watershed management and stewardship responsibilities.”

Mr. Sajatovic is married with two children and is a life-long resident of Greater Sudbury.
